Aug 28, 2023	Advanced Legal Research [CC]	01:00 PM	02:00 PM	Skills	Legal research is a fundamental element of practicing law, not matter the practice area, case, client, or platform you use to do it. Everyone needs a refresher from time to time, and this program will give that refresher on the core elements of efficient and diligent legal research. Plus, an introduction into new products such as extractive and generative AI that everyone's talking about and your competitors are using to do legal research smarter and faster.
